

NEWSLETTER

September 2024

Hi everyone and welcome to September.

Business as usual here at the store with a couple of changes since last newsletter.

Overall, our stock levels remain strong and we are doing our best to keep good stock of popular items so we will have them available for you when you need them. Should you require anything we don't have in stock, we will do our utmost to obtain it for you.

Well, we all know the two things that are happening in September, it's the start of Spring and its grand final time. My team hasn't done as well as I'd hoped but still, grand final day is a day for BBQ's, spit roasts and a few beverages.

Also this month we are launching our spring catalogue with some great savings.

Be sure to get in and save, save, save.

Don't forget we are open 9-1pm every Saturday so if you need anything over the weekends please pop in.

Well that's all from me have a great start to Spring and I hope to see you soon.

Lyall
Store Manager

Please note all payments made via direct credit/bank transfers need your 4 digit customer number as reference.
